Re: Letter of January 11, 2018

Dear Chairman Grassley:

I am writing in response to your letter, dated January 11, 2018, in which you have asked about the August 22, 2017 testimony from our client Glenn Simpson that Christopher Steele in the fall of 2016 said he believed the FBI had another source within the Trump organization/campaign. Mr. Simpson stands by his testimony.

Sincerely,
